

TEN ARGUMENTS FOR DELETING YOUR SOCIAL MEDIA ACCOUNTS RIGHT NOW
by Jaron Lanier book PDF Download

Ten Arguments For Deleting Your Social Media Accounts Right Now 'A blisteringly good, urgent, essential read' ZADIE SMITH Jaron Lanier, the world-famous Silicon Valley scientist-pioneer and 'high-tech genius' (Sunday Times) who first alerted us to the dangers of social media, explains why its toxic effects are at the heart of its design, and explains in ten simple arguments why liberating yourself from its hold will transform your life and the world for the better. Social media is making us sadder, angrier, less empathetic, more fearful, more isolated and more tribal. In recent months it has become horribly clear that social media is not bringing us together – it is tearing us apart. In *Ten Arguments For Deleting Your Social Media Accounts Right Now* Jaron Lanier draws on his insider's expertise to explain precisely how social media works – by deploying constant surveillance and subconscious manipulation of its users – and why its cruel and dangerous effects are at the heart of its current business model and design. As well as offering ten simple arguments for liberating yourself from its addictive hold, his witty and urgent manifesto outlines a vision for an alternative that provides all the benefits of social media without the harm. So, if you want a happier life, a more just and peaceful world, or merely the chance to think for yourself without being monitored and influenced by the richest corporations in history, then the best thing you can do, for now, is delete your social media accounts – right now. You will almost certainly become a calmer and possibly a nicer person in the process. ...more *Ten Arguments For Deleting Your Social Media Accounts Right Now* PDF ebook
