

**Paris Letters**      “How much money does it take to change your life?” Unfulfilled at her job and unsuccessful in the dating department, Janice MacLeod doodled this question at her desk. Then she decided to make it a challenge. Over the next few months, with a little math and a lot of determination, she saved up enough “How much money does it take to change your life?” Unfulfilled at her job and unsuccessful in the dating department, Janice MacLeod doodled this question at her desk. Then she decided to make it a challenge. Over the next few months, with a little math and a lot of determination, she saved up enough to buy two years of freedom in Europe. But she had only been in Paris for a few days when she met a handsome butcher (with a striking resemblance to Daniel Craig) and never went home again. A love story in the vein of *Almost French* and *Lunch in Paris*, *Paris Letters* (February 4) is a joyful romp through the City of Light, and an inspiring look at what can happen when we dare to create the life we want. Realizing that her Parisian love affair would be forever, MacLeod began her own business on Etsy, creating beautifully-illustrated letters from Paris inspired by artists like Percy Kelly and Beatrix Potter. She now paints and writes full-time, bringing beautiful things to subscribers around the world and reviving the lost art of letter-writing. ...more [Paris Letters PDF ebook](#)
